

center fold mats with handles

non-folding mats with handles

Vinyl coated nylon cover is strong, mildew resistant, anti-bacterial and wipes clean with a damp cloth. Mat is made with square side walls and is reinforced at all stress points for added durability. Reinforced handles can be used to carry and to store mat. Available in centerfold for easy handling and storage and non-folding styles. **SEE PAGE 50 for color choices and foam descriptions.**

Truck Shipments - These mats ship by truck. Unlike our other products that ship out immediately, mats take 3-5 weeks.

Cando® economy rolls, wedges and incline mats

Specify color: maroon, red, green, royal blue, yellow, tan, black or white.

Positioning and vestibular shapes are covered with heavy-duty vinyl-coated nylon and filled with high compression urethane foam.

These inexpensive shapes are ideal for institutional use in physical therapy departments, home use for positioning rolls and wedges, special education programs, pre-school programs, physical education classes and the gym.
